

Chain Case Lubricant

Klotz Chain Case Lube Black Formula contains graphite molecules for reduced friction and surface drag. Provides maximum power and performance in extreme hot and cold conditions. Penetrates deep into chain rollers to loosen stiff links and extend chain and sprocket life. Eliminates rust and corrosion on chains and sprockets. Klotz Chain Case Lube will challenge and outrun the competition in the following ways:

- **Reduces friction for more power**
- **Penetrates deep into chain rollers to loosen stiff links**
- **Graphite provides increased protection**
- **Extends chain and sprocket life**
- **Eliminates rust and corrosion**
